Dear Snow Dance Studio,

On behalf of the NUS Science Club, I would like to extend our sincerest appreciation for your company's generous sponsorship of **1,400 e-vouchers** in support of our **Exam Welfare Pack Distribution 2025**. Your support played a vital role in the success of our initiative, enabling us to fulfill our purpose of caring for the Science community and uplifting their spirits during this academically intensive period.

The sponsored e-vouchers covered a diverse and enriching range of classes, each of which added immense value to our students:

- **Master Class for Dancers** (2.5 hours × 10 sessions) – up to 100 redemptions
- **Drama Classes** (1.5 hours × 14 sessions) – up to 140 redemptions
- **TikTok Dance Classes** (1.5 hours × 20 sessions) – up to 200 redemptions
- **K-Pop Dance Classes** (1.5 hours × 20 sessions) – up to 200 redemptions
- **Chinese Dance Classes** (1.5 hours × 20 sessions) – up to 200 redemptions
- **Body Isolation & Technique** (1 hour × 20 sessions) – up to 200 redemptions
- **Music & Singing** (1 hour × 14 sessions) – up to 84 redemptions
- **Piano Classes** (1 hour × 14 sessions) – up to 56 redemptions
- **Pipa Music Classes** (1 hour × 20 sessions) – up to 56 redemptions
- **Performance Choreography** (10-hour course) – up to 80 redemptions
- **Filming & Photography** – up to 84 redemptions

(*Terms and conditions apply, including minimum and maximum participant requirements for each category.)

Your kind support has given students the chance to explore new interests, unwind creatively, and connect with one another beyond the classroom. It has undoubtedly enriched their university experiences and added meaningful value to their student life.

Once again, thank you for your valued support. We are truly grateful and look forward to the possibility of future collaboration.

Warmest regards,

Aaron Tan (Mr.)
